

MANAGER'S CORNER

October, 2020

Hello Residents,

We have all been through a tough year with this pandemic! I want to thank all the HV Residents for your cooperation and assistance as we are navigating through the disinfecting, cleaning, wearing masks, and social distancing. It has been hard and I understand some are going stir crazy, but it is for everyone's protection. People are still coming down with this virus and my desire to keep you all as safe as possible. I just pray its over soon! Thank you again for your patience and cooperation. On another note, I love the change in weather and welcome Fall with open arms!

RECREATION HALL / POOL: The pool was resurfaced and has new pavers, new lights and our night time swimming is back. I hope you have been able to enjoy it during this pandemic. As many of you know, the new Recreation Hall is now open. It has a beautiful pool table, 2 card/poker tables, a craft table as well as an exercise room for your enjoyment. The hours are from 6:00 AM to 9:00 PM and you can access it using a Key Fob. These are a onetime purchase for \$15.00. (if lost, there will be an additional purchase cost involved). While in there, you are please asked to wear a mask at this time and to practice social distancing. A

spray bottle of disinfectant and paper towels are provided for you to wipe down the areas you have touched. Also, please do not wear wet bathing suits in the Rec Hall and please wear a shirt and shoes.

DIRECTORIES: If you have not received a directory yet, please stop by the office to get one.

NEW RESIDENTS: Welcome to HV new residents! We are excited to have you here and be a part of our community. Let's make them feel welcomed and please introduce yourself. Again, Welcome and please let me know if you need assistance with anything.

NEWSLETTER: The newsletter is also available online, please go to hawaiianvillagemhc.com. Click on Community News. The Resident Only Password is: hawaiian.

HURRICANE INFO: We are just about through Hurricane season, (and like you, I am very thankful we have been spared thus far), but just in case you have never received information on what to do or would just like to have it for reference, you can swing by the office to pick up a pamphlet or look on the bulletin board.

SPEED & STOP SIGNS: As a reminder, the speed limit is 15 MPH and we have stop signs at every intersection. We had a couple people out walking their dogs and a car was speeding and did not stop at the stop sign forcing them to jump into the yard. Please stop at the stop signs. I would hate for you to be involved in an accident that could be avoided.

NEIGHBOR'S ITEMS: As the saying goes, one man's trash is another man's treasure. However, unless items in a fellow resident's yard is marked, "FOR SALE or FREE", please don't take items from anyone's yard. Several times someone has been cleaning and left stuff out to dry and it has been taken. So, please be respectful of your neighbor.

LAWNS & HOUSE KEEPING: Now is the time to please take care of "outside housekeeping". We have had some rain and the weeds have grown out of control. Please weed your flower beds, along the side and especially the BACKS of your home. Some homes are in need of painting. Some drive ways are also in need of painting. Also, some have vinyl windows that have ripped and need replacing. I appreciate those that have been talking care of these chores, however, there are still quite a few that are not in compliance. Please contact me if you are unable to do this task and I can provide you with a name and number of someone who will do it for a fee.

Also, please take some time to clear your carports from unnecessary clutter. If you have quite a bit to be thrown out, contact Manatee County Utility Dept. (MCUD - 941-792-8811) as they will pick up a large amount once a year for free. If you need assistance in moving or discarding items, please let me know. You will feel so much better!!

As always, it is my pleasure to be your manager and let me know if I can assist you in any way.

Blessings to you all.

Denise Cobb
